

# **Babe Ruth League, Inc. DISTRICT HOST GUIDEBOOK**

## **Introduction:**

This Guidebook is designed to give the reader a brief but concise insight into the total operation of a State Baseball or Softball District Tournament. It will contain general knowledge of responsibilities and duties of the Host League involving planning, preparing, and running of the tournament.

Flexibility is generally needed to accomplish the goals at hand. Therefore, this Guidebook is to be considered only as a basic outline of areas of responsibilities and duties. Mandatory requirements are annotated with an asterisk (\*).

## **Organization:**

The first step in setting up a District Tournament is ORGANIZATION. As in the planning for any event of the size and scope of a State District Tournament, the first step is the formulation of a “key” group of volunteers from the Host League who will perform the “lion’s share” of the work in order for the tournament to be a success.

Within the group of “key” people there must be a “key” person. The one person who will be in charge of the total operation is the “go to person”. We call this special person the Host Tournament Director. [Note- A State assigned representative will be on-site during the tournament (from check-in to the conclusion) to give assistance to the Host Tournament Director as needed.]

Staffing includes division Directors, each of whom is responsible to the Host Tournament Director:

- **\* Administration Director**
- **Concessions Director**
- **Souvenirs Director**
- **\* Press Box Director**
- **\* Game Operations, Grounds and Equipment Director:**

**Administration Director:**

- \* [The Host League is responsible for all costs associated with hosting the District Tournament.] Insure that all gate receipts and all other revenue and expenses are maintained using generally accepted accounting methods.
- \* Make arrangements for contracting and paying certified Babe Ruth umpires. The Umpires are under the direction of the Host Tournament Director.
- Make sure that there are an adequate number of Gate Receipt personnel per session. Ticket personnel should report to the stadium one-hour before first game.
- \* Make sure that the Winner and Runner-up Team trophies or plaques are available for award.
- Establish Public Relations Policies such as:

  2. No use of tobacco (including smokeless) within the field area.
  3. Make sure that the Radio, TV, and Press are all properly identified with their employer ID Badges and are allowed to cover the Tournament games from the press box when appropriate.

**Concessions Director:**

- Establish a list of all food and drink items to be sold.
- Establish and post prices for easy reading.
- Have an adequate number of personnel per game to maintain sales at all concessions.
- All concession locations should be open one hour before first game.

- \* Have a tape player or CD player to play National Anthem, etc.
- \* Have two copies of the National Anthem (just in case!).

**Game Operations, Grounds and Equipment Director:**

\* The Game Operations, Grounds and Equipment Director is responsible for providing and maintaining the actual playing site of the State Tournament in all its many aspects. Basic areas of responsibility and provisions are: bullpens, sufficient lighting, American flag, Scoreboard, press box, interior fence, exterior fence, dugouts, dugout drinking water, distance signs on outfield fence, infield tarps, ticket booths, home and visitor dugout signs, first aid kit, sufficient umpire quarters, restroom facilities, and large up-to- date game result signage.

\* The Game Operations, Grounds and Equipment Director is also responsible for having in attendance at all games: a ground crew (sufficient to maintain field); ball boys, press box runner and an electrician or power company on call to handle any power failures.

- \* In addition, the Game Operations, Grounds and Equipment Director must:
